Learn why taxing the "rich" and business
will hurt the rest of us.

Dan Christenson

Gresham-Barlow School District
Board of Directors

Teachers Unions and Stand for Children, PAC's
for government programs related to children,
have pressured your school board members to
endorse a "YES" vote on 66 & 67. Why are they
using children as a pawn when no funding from
the tax increase is allocated for schools?

Bruce Starr

Oregon Senator

How did the legislature come to pass these tax
increases? Why is there never enough money
for "services?" What can we do to
STOP feeding this cancer?
